With seams to back of body, tack legs in place either side of body seam, noting seam is the back of the toy. Fill body and sew cast on edges together, taking care to ensure legs are securely sewn into the seam by working a flat st along the front and the back of each leg. Run a gathering thread through body at bottom edge of third stripe from top of head, pull tightly to form neck before securing thread. Oversew cast on edges of arms in place along sides of body, noting to place seams in centre of underarm. Sew mouth panel in position on face, making a pocket. Fill pocket before closing completely. Sew ears to sides of head as pictured. Cut 6 x 15 cm lengths of **C3**. Fold lengths in half and using crochet hook, attach to top of head as pictured. Tie in a knot and trim ends to neaten. Using a single strand of black thread, embroider french knots for nostrils and work long stitch lines for the mouth. Sew joggly eyes securely in place. Sew side edges of tail together, filling as for arms and legs, noting to pull seam tightly after sewing 8 cm to make tip of tail curl up. Oversew opening closed, with seam in centre. Oversew tail in position on back of toy, with seam facing body. Sew in all ends.
